

# **PUNJAB INFRASTRUCTURE DEVELOPMENT BOARD**

## **Work Programme 2018-2019**

- 1.** To take up Public Private Partnership (PPP) projects as will be mandated to it by the various Administrative Departments from time to time.
- 2.** To prepare a shelf of projects which can be taken upon PPP mode by taking feedback from Government of India and other States.
- 3.** To leverage the existing fund flow and raise finances for meeting the pending committed liabilities of the ongoing/existing projects.
- 4.** To identify projects which can be funded by Government of India through its various schemes or can be taken up through Viability Gap Funding (VGF).
- 5.** To facilitate projects as identified and decided by the State Government from time to time.
