4.20.2 Eligibility of bidders

For determining the eligibility of the bidders for their pre-qualification hereunder the following shall apply:

- a) The bidder for pre-qualification may be a single entity or a group of entities (the "Consortium"), coming together to implement the project. However, no bidder applying as a single entity or as a member of a consortium, as the case may be, can be member of another bidder/consortium. The term bidder used herein shall apply to both a single entity and a Consortium.
- b) A bidder may be a private entity, Government-owned entity or any combination of them with a formal intent to enter into an agreement or under an existing agreement in the form of a consortium. A consortium shall be eligible for consideration subject to the conditions set out in this Clause 4.20.2 at (f) below.
- c) A Bidder shall not have a conflict of interest (the "**Conflict of Interest**") that affects the bidding process. Any bidder found to have a conflict of interest shall be disqualified. A bidder shall be deemed to have a conflict of interest that affects the bidding process, if:
 - i. The bidder, its member or associate (or any constituent thereof) and any other bidder, its Member or Associate (or any constituent thereof) have common controlling shareholders or other ownership interest; provided that this disqualification shall not apply in cases where the direct or indirect shareholding of an bidder, its member or associate (or any shareholder thereof having a shareholding of more than five percent of the paid up and subscribed share capital of such bidder, member or associate, as the case may be) in the other bidder, its member or associate, as the case may be, is less than five per cent of the paid up and subscribed share capital thereof; provided further that this disqualification shall not apply to a bank, insurance company, pension fund or a public financial institution referred to in section 4A of the Companies Act, 1956. For the purposes of this clause, indirect shareholding held through one or more intermediate persons shall be computed as follows: (a) where any intermediary is controlled by a person through management control or otherwise, the entire shareholding held by such controlled intermediary in any other person (the "Subject Person") shall be taken into account for computing the shareholding of such controlling person in the subject person; and (b) subject always to sub-clause above, where a person does not exercise control over an intermediary, which has shareholding in the subject person, the computation of indirect shareholding of such person in the subject person shall be undertaken on a proportionate basis; provided, however, that no such shareholding shall be reckoned under this sub clause if the shareholding of such person in the intermediary is less than 26% of the subscribed and paid-up equity shareholding of such intermediary; or
 - ii. A constituent of such bidder is also a constituent of another bidder; or
 - iii. Such bidder, or any associate thereof receives or has received any direct or indirect subsidy, grant, concessional loan or subordinated debt from any other bidder, or any associate thereof or has provided any such subsidy, grant, concessional loan or subordinated debt to any other bidder, its member or any associate thereof; or

- iv. Such bidder has the same legal representative for purposes of this bid as any other bidder; or
 - v. Such bidder, or any associate thereof has a relationship with another bidder, or any associate thereof, directly or through common third party/ parties, that puts either or both of them in a position to have access to each other's information about, or to influence the bid of either or each other; or
 - vi. Such bidder, or any associate thereof has participated as a consultant to the PSeGS in the preparation of any documents, design or technical specifications of the project.
- d) A bidder shall be liable for disqualification if any legal, financial or technical advisor of the PSeGS in relation to the project is engaged by the bidder in any manner for matters related to or incidental to the project. For the avoidance of doubt, this disqualification shall not apply where such advisor was engaged by the bidder, its member or associate in the past but its assignment expired or was terminated 1 (One) year prior to the date of issue of this RFP. Nor will this disqualification apply where such advisor is engaged after a period of 3 (three) years from the date of commercial operation of the project.

Explanation: In case a bidder is a consortium, then the term bidder as used in this Clause, shall include each member of consortium.

- e) For computing the technical and financial capacity of the bidder for pre-qualification, the following shall apply:
 - i. In computing the technical capacity and financial capacity (i.e. Net Worth/ Turnover/Profits) of the bidder, the combined technical & financial capacity of its associates shall also be considered. However, to ensure commitment and involvement of the Associate(s) for successful execution of the project, the bidder must enclose a deed of guarantee as per format provided in [Annexure II-G](#), for fulfilling the obligation under the project. This deed should be submitted along with the bid. For purposes of this RFP, associate means, in relation to the bidder (i.e. single entity), a person who controls, is controlled by, or is under the common control with such bidder (the "Associate").
 - ii. In case of a consortium, the combined technical capacity and financial capacity (i.e. net worth /turnover/profits) of those members shall be considered, who intend to have and shall continue to have an equity share of at least 26% (twenty six percent) each in the SPV (as per the details provided in the consortium agreement at [Annexure-II-F](#)), provided that each such member shall during the term, hold equity share capital not less than: (i) 26% (twenty six percent) of the subscribed and paid up equity of the SPV; and (ii) 5% (five percent) of the Net Project Value. Further, consortium members shall collectively hold 100% (one hundred percent) of the equity of the SPV for the term.
- f) Where the bidder is a single entity, it shall form an appropriate Special Purpose Vehicle under the Indian Companies Act 1956/Companies Act, 2013 (the "SPV"), to execute the contract and implement the project. However, the bidder shall directly hold 100% of the share capital of the SPV

throughout the term. In case of consortium, it would be essential that consortium members shall form SPV to execute the contract and implement the project. Additionally, the consortium bidder should also comply with the following requirements:

- i. Number of members in a consortium should be limited to 2 (two), whereby each Member individually hold at least [26% (twenty six percent)] of the paid up and subscribed equity of the SPV.
- ii. Subject to the provisions of clause (i) above, the bid should contain the information required for each member of the consortium;
- iii. Members of the consortium shall nominate one member as the lead member (the "Lead Member"), who shall have an equity share holding of at least 70% (Seventy percent) of the paid up and subscribed equity of the SPV. The nomination(s) shall be supported by a Power of Attorney, as per the format provided at [Annexure-II-E](#), signed by both the members of the consortium;
- iv. The bid should include a brief description of the roles and responsibilities of individual members, particularly with reference to financial, technical and O&M obligations;
- v. An individual bidder cannot at the same time be member of a consortium applying for pre-qualification. Further, a member of a particular bidder consortium cannot be member of any other bidder's consortium applying for pre-qualification;
- vi. Members of the consortium shall enter into a binding consortium agreement substantially in the form specified at [Annexure-II-F](#) (the "Consortium Agreement") for the purpose of making and submitting the bid in the event of being short-listed. The consortium agreement shall, inter alia:
 - a. Convey the intent to form an SPV with shareholding/ownership equity commitment(s) in accordance with this RFP, which would enter into the agreement and subsequently carry out all the responsibilities as per the terms of the agreement, in case the project is awarded to the consortium;
 - b. Clearly outline the proposed roles and responsibilities of each member at each stage;
 - c. Commit that the consortium members shall collectively hold 100% (one hundred per cent) of the equity of the SPV for the term.
 - d. Commit the minimum equity stake to be held by each member;
 - e. commit that each of the members, whose experience will be evaluated for the purpose of this RFP, shall subscribe to 26% (twenty six percent) or more of the paid up and subscribed Equity of the SPV and shall further commit that each such member shall during the Term, hold Equity share capital not less than: (i) 26% (twenty six percent) of the subscribed and paid up equity share capital of the SPV; and (ii) 5% (five percent) of the Net Project Value specified in the Agreement to be signed as an outcome of award of this RFP; and

- f. Include a statement to the effect that all members of the consortium shall, for the entire term of the contract, be liable jointly and severally for all obligations in relation to the project.
- g. Except as provided under this RFP and the bidding documents, there shall not be any amendment to the consortium agreement without the prior written consent of the PSeGS.
- g) Any entity which has been barred by the Central/ State Government, or any entity controlled by it, from participating in any project, and the bar subsists as on the date of submission of the bid, would not be eligible to submit the bid either individually or as member of a consortium.
- h) A bidder including any consortium member or associate should, in the last 3 (three) years, have neither failed to perform on any contract, as evidenced by imposition of a penalty by an arbitral or judicial authority or a judicial pronouncement or arbitration award against the bidder, consortium members or associate, as the case may be, nor has been expelled from any project or contract by any public entity nor have had any contract terminated by any public entity for breach by such bidder, consortium member or associate.
- i) Information supplied by a bidder (or other constituent member if the bidder is a consortium) must apply to the bidder, member or associate named in the bid and not, unless specifically requested, to other associated companies or firms.
- j) While qualification is open to persons/entities from any country, the following provisions shall also apply:
 - i. Where, on the bid submission date, not less than 26% (twenty six percent) of the aggregate issued, subscribed and paid-up equity share capital in the bidder or its members is held by persons resident outside India or where the bidder or its member is controlled by persons resident outside India; or
 - ii. If at any subsequent stage after the date of submission of the bid, there is an acquisition of not less than 26% (twenty six percent) of the aggregate issued, subscribed and paid-up Equity share capital or Control (by persons resident outside India) in or of the bidder or any its member;

[Then the qualification/continuation of such Bidder shall be subject to approval of the PSeGS from national security and public interest perspective. The decision of the PSeGS in this behalf shall be final and conclusive and binding on the bidder.]

The holding or acquisition of equity or control, as above, shall include direct or indirect holding/ acquisition, including by transfer, of the direct or indirect legal or beneficial ownership or control, by persons acting for themselves or in concert and in determining such holding or acquisition, the PSeGS shall be primarily guided by the principles, precedents and definitions contained in the regulations framed by Securities and Exchange Board of India or under the Foreign Exchange Management

Act, 1999, or any substitute thereof, as in force on the date of such acquisition.

The bidder shall promptly inform the PSeGS of any change in its shareholding, as above, and failure to do so shall render the bidder liable for disqualification from the bidding process or thereafter.

k) Notwithstanding anything to the contrary contained herein, in the event that the bid submission date falls within three months of the closing of the latest financial year of a Bidder, it shall ignore such financial year for the purposes of its bid and furnish all its information and certification with reference to the 5 (five) years or 1 (one) year, as the case may be, preceding its latest financial year. For the avoidance of doubt, financial year shall, for the purposes of a Bidder hereunder, mean the accounting year followed by the bidder in the course of its normal business.

l) Change in composition of the Consortium

- i. Change in the composition of a consortium will not be permitted by the PSeGS during the Bid Evaluation Process.
 - ii. Where the bidder is a consortium, change in the composition of a consortium may be permitted by the PSeGS during the bid stage, only where:

 - b. the lead member continues to be the lead member of the consortium;
 - c. the substitute is at least equal, in terms of Technical Capacity and Financial Capacity, to the consortium member who is sought to be substituted and the modified consortium shall continue to meet the prequalification and short-listing criteria for bidders; and
 - d. The new member expressly adopts the bid already made on behalf of the consortium as if it were a party to it originally, and is not a bidder/member/associate of any other consortium bidding for this project.
 - iii. Approval for change in the composition of a consortium shall be at the sole discretion of the PSeGS and must be approved by the PSeGS in writing.
 - iv. The modified/ reconstituted consortium shall be required to submit a revised consortium agreement before the bid submission date.
- m) No bidder shall submit more than one bid for one zone. For the purpose of this sub-clause (m), a bidder applying individually or as a member of a consortium shall not be entitled to submit another bid either individually or as a member of any consortium, as the case may be.

The evaluation of the proposals will be done as per the details given below:

- a) For the evaluation of eligibility of a bidder, the documentation furnished by the bidders will be examined to check if all the eligibility requirements and furnished in accordance with the formats supplied are met.
- b) The PSeGS may ask the bidder for additional information with respect to the submitted documents whenever the PSeGS feels that such information would be required. This may also include reference checks to verify credentials supplied by the bidder.
- c) Proposals not meeting pre-qualification criteria will not be processed further for technical evaluation.

5.4. Evaluation of Technical Proposals

- a) Technical Proposals would be evaluated only for those bidders, who qualify the pre-qualification criteria.

- b) The Technical Proposals will be evaluated against the requirements specified in the RFP and the technical evaluation criteria.
- c) Bidders shall be invited to make a presentation to the Evaluation Committee as per technical evaluation criteria.
- d) Consequent upon the technical evaluation, each technical proposal will be assigned a technical score out of a maximum of 100 marks. Bidders who score 70% (Seventy percent) or more will qualify for the evaluation of their financial proposals.

5.5. Evaluation of Financial Proposals

- a) The financial proposals of those bidders who qualify the technical evaluation stage as per section 5.4(d) will only be opened. Financial proposal(s) of non-technical qualified bidder(s) will not be opened.
- b) The evaluation of the financial proposals will be done by determining whether the financial proposals are complete and unconditional.
- c) The price quoted as indicated in the financial proposal shall be treated as final.

- e) No pre-tender or post-tender negotiation with any bidder including successful bidder shall be allowed.
- f) Any conditionality included in the financial proposal will lead to disqualification of the entire bid and forfeiture of the EMD.
- g) For each zone, the lowest bid shall be declared as most responsive bidder (L1).
- h) In case of a tie, the bidder having the highest technical score (T) among such bidders will be considered. Herein T would be considered up to 2 decimal places.
- i) In case a bidder is L1 in both the zones but does not meet the pre-qualification criteria for combined zones, then L2 of both zones will be checked and the lowest price between the two L2 will be declared as most responsive bidder (L1) for the zone. Accordingly, another zone will be allotted to L1. e.g. per transaction price quoted by three bidders are as under:

Bidders	Zone 1	Zone 2
Bidder 1	Rs. 100	Rs. 105
Bidder 2	Rs. 120	Rs. 102
Bidder 3	Rs. 98	Rs. 98

Case 1: Bidder 3 is L1 in both the zones and fulfilling the stipulated pre-qualification criteria for both zones therefore Bidder 3 will be declared as most responsive bidder (L1) in both the zones.

Case 2: Bidder 3 is L1 in both the zones but not fulfilling the stipulated pre-qualification criteria for both zones then L2 of both zones will be checked. In the above case, Bidder 1 is L2 in zone 1 and Bidder 2 is L2 in zone 2. As Bidder 1 quoted the less price (i.e., Rs. 100) compared to Bidder 2 (i.e., Rs. 102), hence, Bidder 1 shall be declared as most responsive Bidder (L1) in Zone 1 and Bidder 3 will be declared as most responsive bidder (L1) in zone 2.

5.6. Errors & Rectification

- a) If there is a discrepancy between words and figures of the rate quoted , the amount in words will prevail.
- b) If the bidder doesn't accept the correction of error(s) as specified, its bid will be liable to be rejected.

6. Award of Contract

6.1. Award Criteria

- a. After evaluation of the bids, a contract will be awarded to the successful bidder which has been determined as the L1 bid for a specific zone or both zones, whose proposal conforms to the RFP and is, in the opinion of the PSeGS, the most advantageous and represents the best value to the project, price and other factors considered.

6.2. Notification of Award

- a) The PSeGS will notify in writing by issuing a Letter of Award ("LOA") the name of the successful bidder(s) for a zone or both zones (as the case may be). Upon submission of the Performance Bank Guarantee by the successful bidder(s), the contract signing process will commence. Further, upon incorporation of the SPV(s) by the successful bidder(s) with whom the contract would be entered into, the successful bidder(s) shall submit the shareholding pattern of the SPV(s) to PSeGS.
- b) The notification of LOA shall not constitute the formation of any contract. Upon the successful bidder(s)' furnishing of Performance Bank Guarantee(s), the PSeGS will notify each unsuccessful bidder and return their EMD.

6.3. Signing of Contract

Once the PSeGS notifies the successful bidder that its bid has been accepted for a zone or both zones as the case may be through a LOA, subject to the successful bidder(s) submitting the Performance Bank Guarantee(s) and fulfilling terms and condition of this RFP, the PSeGS shall enter into a separate contract, incorporating all agreements (to be discussed and agreed upon separately) between the PSeGS and the successful bidder(s) for a zone or two zones (as the case may be). For avoidance of doubt, it is hereby clarified that in the event one successful bidder has been awarded the contract for one zone or for both the zones, only one SPV will be formed for all the zones where the bidder has been declared most responsive. Provided that such SPV shall enter into separate contracts for each zone awarded to the successful bidder shall be entered into between PSeGS and the successful bidder(s).

6.4. Failure to agree with the Terms and Conditions of the RFP

- a) In case it is found during the evaluation or at any time before signing of the contract or after its execution and during the period of subsistence thereof, that one or more of the eligibilities (pre-qualifications, technical qualification, financial) conditions have not been met by the bidder or the bidder has made material misrepresentation or has given any materially incorrect or false information, the bidder shall be disqualified forthwith. If such successful bidder(s) has been appointed or LOA(s) has been issued, notwithstanding anything to the contrary contained therein or in this RFP, such contract(s) or the LOA(s) (as the case may) be liable to be terminated forthwith, by a communication in writing by the

PSeGS to the bidder(s), without the PSeGS being liable in any manner whatsoever to the bidder(s).

6.5. Performance Bank Guarantee

- a) The successful bidder(s) at its/their own expense shall submit, within 7 working days of the date of issuance of LOA(s), an unconditional and irrevocable Performance Bank Guarantee(s) ("**PBG**") (as per the prescribed format provided in Volume-III MSA of this RFP) from a nationalized bank in a manner acceptable to the PSeGS, payable on demand, for the due performance and fulfillment of the contract by the bidder.
- b) In the event of the successful bidder being unable to fulfil its obligation or non-compliance of the terms and conditions stipulated in the contract for any reason whatsoever, the PSeGS would have the right to invoke the PBG. Notwithstanding and without prejudice to any rights whatsoever of the PSeGS under the contract in the matter, the proceeds of the PBG shall be payable to the PSeGS as compensation for the successful bidder's failure to perform/comply with its obligations under the contract.

6.6. Fraud and Corruption

- a) All the bidders must observe the highest standards of ethics during the process of selection of service operator and during the performance and execution of contract. Notwithstanding anything to the contrary contained herein, the PSeGS may reject a bid without being liable in any manner whatsoever to the bidder if it determines that the bidder has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the bidding process.
- b) Without prejudice to the rights of the PSeGS under Clause 6.6 (a) hereinabove, if any bidder is found by the PSeGS to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the bidding process, such bidder shall not be eligible to participate in any tender issued by the PSeGS during a period of 2 (two) years from the date such bidder is found by the PSeGS to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as the case may be.
- c) For this purpose, definitions of the terms are set forth as follows:
 - i. "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of the Society or its personnel in contract executions.
 - ii. "Fraudulent practice" means a misrepresentation of facts, in order to influence a selection process or the execution of a contract and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificially high or non-competitive levels and to deprive the society of the benefits of free and open competition.
 - iii. "Unfair trade practice" means supply of services different from what is ordered on or change in the Scope of Work given in RFP.
 - iv. "Coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the selection process or execution of contract.
